Seeking Memorial Day Gardeners
Monday is going to be a gardening day at the ECC! Volunteers are needed to help us move the soil into the planter boxes. We also need wheel barrows and shovels to help us accomplish this task! The fun starts at 9 a.m. on May 25.

OUTSIDE TIME
Children go outside daily unless the temperature is below 20 degrees or in excess of 100 degrees.

Rain, Rain, Go Away...
This sure has been a wet summer so far! We at the ECC value outside time for the children and ask that you provide weather-appropriate clothing and gear.

Today we bid a fond farewell to Classroom Teacher Diane Wendt and wish her all the best in the exciting adventures that lie ahead of her! Keep in touch Diane!
