Mark Your Calendars!
7/3: University Holiday/ECC Closed
7/16: ECC All-School Picnic 5:30-7:00
8/7: Last day of summer session

Summertime friendly reminders:
Remember to put sunscreen on your child before school each day. We will reapply around noon!

Please provide your child with a swimsuit, towel, waterproof shoes, and any other sun protection (hat, sunglasses). When weather permits, we will be playing outside in the water!

If this crazy weather continues, please provide your child with rainy-day attire!

Playground Update: The irrigation system was installed this week and now we can look forward to the laying of the sod when weather permits!

Garden Update: Many thanks to everyone who helped move the soil into the planters! We spent this week transferring seedlings into the planters, so now we get to watch our garden grow!
We have a new administrative assistant in the front office! **Chelsea Chamblee** holds an associate’s degree from Blinn College and a bachelor’s degree in History from Texas A&M. Chelsea has several years of experience providing administrative support and is particularly skilled at customer service and various computer programs. Please take a moment to introduce yourself to Chelsea when you see her next.

Please extend a warm welcome to **Sarah Janzer** in her new role at the ECC as the Classroom Teacher in the Older Toddler Room. Sarah started as an intern at the Early Childhood Center in May of 2014 and continued her relationship with the ECC as an Assistant Teacher through April of 2015. Sarah has a bachelor’s degree in Human Development and Family Studies.
